SOFT WIND

TECNOBREEZE air curtain

Product informations

Elegant, compact and silent the air curtain **SOFT WIND** is suitable for each kind of space.

The air curtain allows to keep a constant temperature inside the room, also stopping dumped air from outside.

Energy consumption gets optimized with consequent money saving.

All moving electrical parts are guaranteed for over 5000 hours functioning.

Product features

- Power supply 230 V - 50 Hz
- Available dimensions: 900 - 1200 - 1500 - 2000 mm
- With remote control
- 2 speeds

Technical Features
